7

CPD HOURS

Suitable for

Exclusive to HNE Health staff

PGY2 – PGY5+ medical officers, CMOs, GP registrars & GP VMOs

Emergency department nursing staff are encouraged to attend with their medical colleagues

2018 dates

All dates 0900-1700hrs:

- Friday, 2nd March - **Airway & Respiratory Emergencies**
- **Wednesday, 27th June - Mother & Baby Emergencies**
- Thursday, 20th September – **Adult & Paediatric Medical Emergencies**
- Wednesday, 14th November – **Adult & Paediatric Trauma**

The Hospital Skills Program is sponsoring a suite of immersive simulation-based crisis management courses in 2018. Please choose from the following:

Airway & Respiratory Emergencies – Friday, 2nd March

Developing an airway plan A, B & C, and managing respiratory distress in ED and on the ward.

Mother & Baby Emergencies – Wednesday, 27th June

Obstetric and infant emergency presentations to ED. Content will include neonatal resuscitation.

Adult & Paediatric Medical Emergencies – Thursday, 20th September

Adult and paediatric medical emergency presentations to ED and on the ward.

Adult & Paediatric Trauma – Wednesday, 14th November

Developing a systematic approach to the early recognition and stabilisation of adult and paediatric trauma patients.
