

# Tamworth

*Where career and lifestyle meet*

***Tamworth – undulating hills, pristine national parks, big sky country...with all the convenience of living in a thriving rural centre.***

Living close to nature and connected to a community without compromising on cultural nourishment, Tamworth is the major service centre for North West New South Wales and the New England region. Only four and a half hours drive from Sydney, this is real country where the community is committed to their towns and the well being of their communities.

The opportunity to graze a few head of cattle, stock a dam with fish, or stable horses has enticed many an urban professional to give up the daily grind of the city for a rural practice. For others, it is the chance to indulge a passion for the great outdoors: bush walking, kayaking, rock climbing, abseiling, bird watching, camping, astronomy and even hang gliding. If a more relaxed lifestyle appeals, you don't have to go far from Tamworth before you see vineyards, olive groves and market gardens.

The city itself is in the heart of the biggest gemstone fossicking region of NSW, and is surrounded by picturesque countryside.

The Tamworth Region has a population of approximately 55,000 and covers an area of 9,653.25 square kilometers stretching from the Nandewar Range north of Barraba south east to Peel and Great Dividing Ranges where sport mixes with culture on the social calendar. Tamworth is a regional capital city and one of the most progressive and exciting places in inland Australia - we combine country living with city style.

HUNTER NEW ENGLAND  
NSW HEALTH

Tamworth has excellent sporting facilities including fishing, two golf courses, many lawn bowling clubs, supermarkets and specialty shops and award winning restaurants and clubs.
