Local Health Network

myLink

We have an online resource available for you to utilise. It is intended as an additional learning platform for medical staff in psychiatry to supplement other training.

You can locate myLink by going to:

<http://mylink.hnehealth.nsw.gov.au/login/index.php>

When you get there, you will have to **login first** on the right hand side (using your HNE network login).

Then click on the tab "Collaborate & Share"

Then click on the button on that says "View Collaborative Spaces"

Scroll and click on "Hunter New England Training in Psychiatry"

Once you are in, you will see the following portals:

- JMO Training (HSP Level 1)
- Registrar Training (HSP Level 2)
- IMG Training
- Exam Preparation
- Supervisor Education
- Medical Students
- Other Educational Resources

We would appreciate any comments you may have for improvement of this resource – just contact philippa.ditton-phare@hnehealth.nsw.gov.au or provide feedback from the home page of MyLink.

We would also appreciate questions for the MCQ question banks, so if you'd like to contribute a question on any topic, please just e-mail it to the above address (don't forget to let me know which one is the right answer!).

Please visit the HNET website at

www.hnehealth.nsw.gov.au/hnet

for lots of valuable information, including recommended reading and useful links.
