## Aim

To prepare anaesthesia providers for managing anaphylaxis

## Outline

Using a combination of facilitated discussions and simulations, participants will develop and practise the skills, knowledge and attitudes required for up to date management of anaphylaxis.

The course will incorporate the recently developed Australian and New Zealand Anaesthetic Allergy Group (ANZAAG) guidelines.

The session will satisfy the ANZCA CPD program requirements for Anaphylaxis, and the course is suitable for ANZCA trainees who need to complete an Anaphylaxis course.

This course promotes a team-based approach and anaesthesia assistants are encouraged to attend with their medical colleagues.

## Prerequisites

Nil
