  - Wednesday, 6 March
  - Thursday, 6 June
  - Wednesday, 14 August
  - Friday, 11 October
  - Wednesday, 4 December

**7**  
CPD HOURS

## Aim

To rehearse the management of an acutely unwell or deteriorating patient

## Outline

Whether you are the ward nurse caring for the patient whose condition is deteriorating, the doctor called for assistance, or a member of the Rapid Response Team, this course will help prepare you to manage the types of emergencies seen in our hospitals.

## Content

This inter-professional team training course:

- Reinforces the use of a systematic approach to the assessment and management of any patient who may be clinically unstable
- Provides an opportunity for you to work as part of a team in a role that reflects what you do in your day-to-day work
- Provides an opportunity for you to practice teamwork skills including coordination of resources, leadership and followership, and speaking up for safety

## Prerequisites

Proficiency with Basic Life Support

## Cost (includes GST)

### Trainees

HNE Health	\$660
HNE Health (HRMOA members)	\$627
