

Instructor & Educator CPD opportunity

# Simulation Educator Masterclass

1  
CPD HOUR

**Professional development opportunity  
for all staff interested in healthcare  
simulation-based education & training ...**

## What

A series of one-hour simulation educator masterclasses delivered by experienced HNE Simulation Centre faculty

## Why

Our team of specialist doctors and senior nurses are experienced in the use of simulation for education & training for a variety of applications, including traditional centre-based courses and *in situ* simulations in the workplace. They are keen to share their knowledge to help everyone in HNE get the most out of simulation as a teaching tool.

## Who

All HNE Health staff interested in the use of simulation-based education and training in healthcare.

Whether you're a solo educator delivering simulation sessions in your work setting, or part of a team delivering simulation training, these short one-hour sessions will focus on a variety of useful skills and techniques for small groups.

## Where

HNE Simulation Centre, Level 1, Royal Newcastle Centre

Phone: (02) 4921 4268
