

Mental Health – Research, Evaluation, Analysis & Dissemination

*Agatha Conrad: Research Manager
Ketrina Sly: Research & Information Officer
Terry Lewin: Conjoint A/Professor*

*Carmel Loughland: A/Prof Translational MH
Richard Clancy: Conjoint A/Prof MH Nursing*

Katie McGill: Suicide Prevention Officer

The **MH-READ** unit has a brokerage research/evaluation management and support role, with a small experienced team of clinicians, researchers, educators and managers. MH-READ promotes quality, strategic MH clinical research, translational & service evaluation projects within HNEMH.

Contact us if you require advice or assistance in:

- MH clinical project development, implementation and evaluation
- MH research methodology, assessment and data analysis
- MH grants and ethics applications, or publication preparation
- Support with web-based MH information dissemination and surveys
- Liaising with our existing partners - CBMHR/MH-Hub, University of Newcastle and HNEMH staff and affiliates around MH research, service evaluation and translation
