

VISITING HOURS AND PATIENT ADMISSIONS

Visiting hours:

- Maitland Hospital operates 24 hours a day, 365 days a year.
- Normal business hours are 8.30am – 5pm weekdays.
- Visiting hours are between 8am – 8pm, with a rest period between 1pm – 3pm. During the rest period, staff will return patients to their beds, close blinds and quieten the ward. We ask that relatives and visitors respect this period by vacating the ward or remaining quiet so that patients can sleep or rest if needed.

Patient admissions:

Planned admission: When you arrive, proceed to the Admissions office. From the main entrance, walk through the main foyer and the Admissions office is on your right.
