Rescuing the Deteriorating Patient

Dates 0830-1630
Thursday, 6 June 2024
Friday, 21 June 2024
Wednesday, 30 October 2024

7
CPD HOURS

- Suitable for** All medical and nursing staff
- Prerequisites** Proficiency with Basic Life Support
- Location** HNE Simulation Centre, John Hunter Hospital Campus

Aim

To rehearse the management of an acutely unwell or deteriorating patient

Outline

Whether you are the ward nurse caring for the patient whose condition is deteriorating, the doctor called for assistance, or a member of the Rapid Response Team, this course will help prepare you to manage the types of emergencies seen in our hospitals

Content

This inter-professional team training course:

- Reinforces the use of a systematic approach to the assessment and management of any patient who may be clinically unstable
- Provides an opportunity for you to work as part of a team in a role that reflects what you do in your day-to-day work
- Provides an opportunity for you to practice teamwork skills including coordination of resources, leadership and followership, and speaking up for safety

Cost

(incl GST)

HNE Nurses	\$119	HNE Medical Officer Consultant, incl VMO	\$1041
External Nurses	\$411	External Consultant	\$1617
HNE Medical Officer Trainee	\$821
