Obstetrics and Gynaecology Unaccredited Trainee - Manning Base Hospital

Taree's town name comes from the Aboriginal word Djarii, meaning Figtree. Taree is situated on the banks of the Manning River in the heart of the beautiful Manning Valley. A spectacular meeting point of coastal beauty and hinterland wonder, the Manning Valley is a gem on the NSW North Coast. Cruise the beautiful river, swim at stunning beaches and find bushwalks, waterfalls and lookouts along the way.

Where you'll be working

Manning Hospital has 180 beds and, within, provides an excellent range of other specialist inpatient services including Emergency Medicine, General Medicine, Paediatrics, General Surgery, Orthopaedics, Intensive Care, Psychiatry, Renal, Obstetrics & Gynaecology, Anaesthesia, Rehabilitation Services, Urology and Oncology Services to the local communities of Taree, Forster, Tuncurry, Greater Taree and Gloucester local government areas. Manning Base Hospital treats approximately 25,000 inpatients, 33,000 Emergency Department patients and 90,700 outpatients each year.

With a population of over 90,300 and with the median age of 52 years old the Lower Mid North Coast Sector is projected to have the highest growth in the group age of 85 years and over.

What we can provide to you

The Manning Base Hospital Unaccredited Trainee within Obstetrics and Gynaecology offers committed Medical Officers interested in a future of Obstetrics and Gynaecology as part of a structured 12-month program and the opportunity to develop knowledge, skills and experience whilst providing effective medical services to patients under supervision, whilst developing expertise in medical practice, within a complex clinical environment.

Unaccredited Trainees in Obstetrics and Gynaecology will work in a variety of inpatient and outpatient settings including inpatient ward care, birthing unit, theatres and outpatients (e.g. antenatal, postnatal and gynaecology) clinics.
