PAEDIATRIC MEDICINE

Where you'll be working

This position is with the Northern Paediatric Training Network in NSW. Our Network comprises of a number of hospitals located in metropolitan, regional and rural locations.

Our base hospital is the John Hunter Children's Hospital, a tertiary paediatric hospital located in Newcastle NSW, a lively coastal city located 2 hours' drive from Sydney. The JH Children's Hospital provides subspecialty and general multidisciplinary care for children with complex medical and surgical conditions. We are also a major trauma centre and have the largest Level 4 surgical Neonatal Intensive Care Unit in NSW.

Our other Network Hospital include: Gosford & Wyong Hospitals, The New Maitland Hospital, Manning Base Hospital, Lismore Base Hospital, The Tweed Hospital, Port Macquarie Base Hospital, Coffs Harbour Base Hospital, Tamworth Hospital.

Between the deep blue Pacific Oceans, lush forest reserves, nature trails, ocean baths, sandy beaches, picturesque country side, and wine estates as far as you can see, you can experience it all.

What you'll be doing

Successful candidates will

- Work alongside a diverse team of medical and allied health practitioners
- Practice effective, evidence based paediatric medicine under appropriate supervision by our team of experienced senior clinicians
- Further develop skills and competence in a supportive environment in areas including but not limited to:

WANT TO KNOW MORE?

HNELHD-JMOMedicalRecruitment@health.nsw.gov.au

- Management of acute and chronic paediatric conditions
- Paediatric and neonatal procedures
- Facilitating multidisciplinary management
- Coordinating diagnostic tests in consultation with other medical specialists
- Facilitating optimal continuity of care in the community post discharge
- Contribute to and participate in a friendly, multidisciplinary team environment which emphasizes our CORE values of collaboration, openness, respect and empowerment

What we can provide to you

This role is an excellent opportunity to

- Experience tertiary paediatric medicine at a leading teaching institution which also hosts the University of Newcastle undergraduate medical programme
- Engage in continuous medical education and research opportunities
- Work hours capped at 40 hours per week, with generous leave benefits of 4 weeks of annual leave, sick leave, and long service leave accruals
- Experience rural Paediatric Medicine
- Immerse yourself in surf, sand and big blue skies!

We are an inclusive community and welcome team members from culturally and linguistically diverse backgrounds, First Nations communities and LGBTQIA+ communities.
