Ward Based Trauma Training

Dates 0830-1630
Friday 17 May 2024
Thursday 31 October 2024

7
CPD HOURS

Suitable for This course is designed specifically for doctors and nurses working with trauma patients in the ward setting

Prerequisites Nil

Location HNE Simulation Centre, John Hunter Hospital Campus

Aim

To develop a systematic approach to the early recognition and stabilisation of adult trauma patients deteriorating on the ward.

Outline

This course will cover ward based trauma patients who are clinically unstable.

This inter-professional team training course: □

- Reinforces the use of a systematic approach to the assessment and management of any patient who may be clinically unstable □
- Provides an opportunity for you to work as part of a team in a role that reflects what you do in your day-to-day work □
- Provides an opportunity for you to practice teamwork skills including coordination of resources, leadership and followership, and speaking up for safety

Cost

GLENCORE

This course is sponsored by the Trauma Service at John Hunter Hospital utilising Glencore funds to support registration fees for rural and remote participants.

**Please note: In the event of non-attendance or cancellation within <7 days your unit/facility will be charged by the Trauma Service as follows: VMOs \$901, Trainees \$711 and Nursing \$103*

**If attending training as a rostered education shift, please speak with your manager prior to registering*
