Yimamulinbinkaon "The ones who lead/Leaders" Aboriginal MH & workforce

Yimamulinbinkaon Aboriginal Mental health service would like to Acknowledge & pay respects to the Traditional Custodians of the lands we live and work on. We pay our respects to Elders, past, present & emerging. We recognise those that came before us, those that suffered and to the generations that continue to suffer from the effects of dispossession of land , oppression, genocide, racism, trauma, grief and loss. We pay our respects to those who survived unspeakable acts, those warriors who keep our traditions, our rituals, our song lines, our languages, our story's and places of land, sea and waterways alive. We acknowledge the significant place that Aboriginal and Torres Strait Islander peoples hold in Australia, as the First Peoples of these lands that were never ceded. We ask all those that walk, work and live on traditional Aboriginal lands to be respectful of culture and traditions.
