# SEALS Course

**Dates** 0830-1700

Thursday, 18 January 2024

Wednesday, 24 April 2024

Wednesday, 15 May 2024

Wednesday, 14 August 2024

Wednesday, 13 November 2024

7

CPD HOURS

**Suitable for** All Medical and Nursing Staff (refresher or initial ALS credentialing)

**Prerequisites** Familiarity with Basic Life Support

**Location** HNE Simulation Centre, John Hunter Hospital Campus

## Aim

The aim of this course is to provide a refresher in the management of adult cardiac arrest. This course is suitable for those who have not previously undertaken initial ALS (Advanced Life Support) training.

## Content

This course will cover the knowledge and skills (technical and teamwork) required to manage a cardiac arrest. The course includes reading materials, mini-lectures, and simulation scenarios, including use of a manual and or SAED (Shock Advisory External Defibrillator), transcutaneous pacing, the role of drugs in cardiac arrest, effective bag-mask ventilation and insertion of a Laryngeal Mask Airway. Course content is based on recommendations from the Australian Resuscitation Council and covers team working principles such as distributing workload, establishing role clarity, and using closed loop communication.

## HNE ALS Requirements

If you wish to be assessed/signed off in My Health Learning (MHL) for ALS, you must provide evidence of completion for ALS theory and assessment no more than 6 weeks prior to your course date. This online quiz can be found in MHL by searching the catalogue for 'Module C'. Please upload your certificate using this QR code or email direct to the centre.

## External Participants

If you wish to be assessed to meet Local Health District or College requirements, please bring this to our attention at the time of registration as additional time will need to be allowed during the course.

## Cost (incl GST)

HNE Nurses	\$187
External Nurses	\$411
HNE Medical Officer Trainee	\$821
External Trainee	\$871
HNE Medical Officer Consultant, incl VMO	\$1041
External Consultant	\$1617
