Thoracic Anaesthesia

Dates 1300-1700
Friday, 22 March 2024
Wednesday, 21 August 2024

4
CPD HOURS

Suitable for Anaesthesia trainees BTY1 and above, Anaesthesia consultants, Anaesthesia nurses, Anaesthesia technicians
Prerequisites Nil
Location HNE Simulation Centre, John Hunter Hospital Campus

Aim

To provide:
 - an introduction to thoracic anaesthesia for trainees
 - a refresher in thoracic anaesthesia for consultants & nursing staff

Content

This half day workshop is designed for the generalist anaesthetist who occasionally encounters thoracic anaesthesia, particularly in the after-hours or urgent setting.

Topics include lung isolation (with specific emphasis on how to choose the best airway device); lung protective strategies; managing hypoxia on one lung; analgesic strategies; DLT placement, (including in the difficult airway, and on the right side); bronchoscopy training; and bronchial blocker use.

Anaesthetic assistants seeking to familiarise themselves with equipment and the sequences involved in establishing lung isolation are encouraged to attend with their medical colleagues.

CPD

ANZCA CPD category 2 (knowledge & skills – participation in a course), Credits: 2 credits per hour.
 Certificate will be provided.

Cost

(incl GST)

HNE Nurses	\$119	HNE Medical Officer Consultant, incl VMO	\$821
